AGREEMENT & RULES OF OPERATION FULL & PART TIME VENDORS

These rules govern the operation, administration, and management of the Winnetka-Northfield-Glencoe Chamber of Commerce Farmers WFM (WFM). The WFM will implement and enforce all rules and regulations pertaining to the operation of the WFM. WFM may change, delete, or modify the WNGFM rules and regulations from time to time and take any reasonable action to enforce them. WNGFM requires all participating vendors in the WFM to be in good standing as set forth in these rules and regulations.

FARMERS MARKET OBJECTIVES:

The goal of the WNGFM is to offer for sale the freshest, highest quality farm and home-grown/produced items as well as hand produced merchandise and a variety of interesting products that would be valued by our local area residents.

DEFINITIONS:

A **vendor** is any person offering items for sale at the WFM. This term includes growers, producers, specialty goods and unique items.

A **grower or producer** is any person offering for sale items for human consumption, including but not limited to, fruits, vegetables, edible grains, nuts, cheeses, eggs, dairy, meat, apiary products, maple sugars, syrups and baked goods, or non-edible items such as cut or potted flowers, which have been grown, raised or prepared by the grower or producer, members of his/her family, or by persons in his/her employment. Notwithstanding the foregoing, items (regardless of whether mentioned above) that are potential health hazards as determined by the WFM must be approved by the Village of Winnetka Health Department. The Department of Code Administration and Development Services Environmental Health Division Farmers' Market Document is Available upon Request.

LOCATION OF MARKET:

The WFM is in Winnetka, IL

DATES AND HOURS OF OPERATION:

The WFM will operate every Saturday from June 3, 2023, through October 28, 2023, for a total of 22 weeks. Set-Up Hours are 6:30 a.m. – 7:30 a.m. Operating Hours are from 7:30 a.m. until 12:30 p.m. Rain or Shine.

Space rentals are not transferable, and no refunds shall be given regardless of the cause of non-use. Stalls come in a variety of sizes: approximately 10 feet wide x 10 feet deep, 20 feet wide x 10 feet deep, 30 feet wide x 10 feet deep, 40 feet wide x 10 feet deep and 60 feet wide x 10 feet deep. Vendors are required to provide their own tent, weights for the tent, tables, and chairs. The WNGFM will attempt to honor requests for specific sizes of stalls but cannot guarantee availability. For part-time vendors, a limited number of 10' x 10' spaces may be available on a temporary basis. The cost for such stalls for part-time vendors is \$50 per use with a limit of six uses per season.

When vendor borrows a tent, table, weights, tables, or chairs from the Market, for any reason, there will be a rental usage fee assessed to the vendor, not to exceed \$40/visit.

No matter the weather, all tents are required to have weights sufficient to keep the tent in place during windy conditions. A minimum of 25 lbs. per leg is required! If your tent does not have adequate

weights, you will be required to remove your tent or pay a rental fee to the WMF to provide weights (once, you will be required to purchase your own tent weights for future markets). Bricks, concrete blocks or gallon water jugs and other such items are insufficient! Ideal weights can be made of PVC pipe filled with sand or cement and secured with bungees. The best weights are strapped to the bottom of each leg and then tethered to the top corner of the canopy, thus lowering the center of gravity. In a strong gust of wind, even canopies secured with enough weight can be broken and cause damage and injury. Check here for more info: <http://www.wafarmersmarkettoolkit.org.wafarmersmarkets.org/wp-content/uploads/2016/09/WSFMA-Canopy-Safety-101-3.pdf>

Vendor’s stall locations are not permanent and may be changed at the discretion of the WFM Management any Saturday during the market season. In making any determination in this regard, WFM will consider the following:

1. Fire Department requirements.
2. The WNGFM’s product mix and consumer traffic flow.
3. Vendor’s marketing ability and product promotion.
4. The quality of the Vendor’s product display and customer service.
5. The participation of owners at the WFM

SELLING GOODS:

The over 40-year history of the WNGFM has designated areas of products to be sold:

- (1). Vegetable/Fruit Produce
- (2). Flowers/Plants-both cut and potted.
- (3). Meat, Fish, Poultry
- (4). Eggs
- (5). Bakery Products
- (6). Prepared & Processed Food
- (7). Specialty Products: olive oil, cheese
- (8). Other - A variety of other products that the WFM believes would interest shoppers.

On the WFM 2023 application you will be required to select from the above categories and list those items that you would like to offer for sale. More than one category may be selected. Example: those that choose to be a vegetable/fruit vendor may also bring flowers. The concept of each vendor becoming a “*Farm Stand*” where the farmer sells whatever they happen to produce on their farm fits with the overall philosophy of the WFM.

Starting Harvest weekend September 2nd, the fruit/vegetable producers may be allowed to also bring the following extra products that tie into the fall season: pumpkins, mums, festive wreaths, Indian corn, corn stalks, hay barrels, etc. as determined by the WFM. A vendor may continue to bring approved items until the WFM season is over. If a vendor has a question regarding what can be brought during this timeframe the vendor should contact any of the WFM Management Committee for review.

Any vendor may bring other items that may not fall into the category upon request. Examples: if a vegetable/fruit vendor also happens to grow free range chickens on their farm, they may bring the chicken eggs for sale with the approval of the WFM. Please add these potential specialty items to your WNGFM application for review and acceptance.

VENDOR ETHICS FOR PRODUCTS SOLD:

1. Products must be of the highest and freshest quality possible.
